The request for such clarification and the response shall be in writing. To speed up the response process, the Purchaser, at its discretion, may ask for any technical clarification to be submitted by means of facsimile / email by the Bidder. In such cases, original copy of the document describing the technical clarification must be sent to the Purchaser by means of courier / in person in addition to the copy sent in facsimile / email.

2.21. Evaluation: NIA shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and by applying the evaluation criteria, specified in the Tender Document. In the first stage of evaluation, a proposal shall be rejected if it is found deficient as per the requirement indicated in the Tender Document for
responsiveness of the proposal. Only responsive proposals shall be further taken up for evaluation. Evaluation of technical proposal will start first and at this stage the financial bid (proposal) will remain unopened. The proposals will be evaluated, based on the eligibility criteria and submission of all the requisite information/documents as asked for in this Tender Document.

2.22. Evaluation shall be made under **Combined Quality cum Cost Based System (CQCCBS)**. Under CQCCBS, the technical proposals will be allotted weightage of 50% and only Bidder’s securing a minimum of 60% marks in technical evaluation shall be considered technically qualified. Financial proposals of only those firms who are technically qualified shall be opened publicly on the date & time specified, in the presence of the Bidder’s representative who choose to attend. The name of the Bidder’s, their technical score and their financial proposal shall be read aloud. Financial proposals will be allotted weightage of 50%.

2.23. Proposal with the lowest cost will be given a financial score of 100 and other proposals given financial score that are inversely proportional to their prices.

2.24. The total score, both technical and financial, shall be obtained by weighing the quality and cost scores and adding them up.

2.25. **Highest point’s basis:** On the basis of the combined weighted score for quality and cost, the Bidder’s shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of quality and cost will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 etc. In case H-1 bidder withdraws, second highest bidder H-2 will be considered.

2.26. **Evaluation of Technical Bids** - Minimum Eligibility Criteria bids received from the Bidders will be opened on the specified day in the presence of representatives of the bidders, who choose to be present as per the schedule stipulated by NIA. Subsequently a detailed analysis will be carried out by NIA. Based on responses to ‘Minimum Eligibility Criteria’, Bidders will be short listed for further technical evaluation. Proposals which do not meet Minimum Eligibility Criteria, will not be considered for further technical evaluation. The technical bid will be analyzed and evaluated, based on which the Relative Technical Score (RTS) shall be assigned to each bid. Technical Bids receiving a RTS greater than or equal to a score of 70 (cut-off marks) will be eligible for consideration in the subsequent round. The Parameters of the Technical evaluation are broadly in following table.

2.29. **Composite Evaluation Criteria**
a. The technical and financial scores secured by each bidder will be added using weightage of <50%> and <50%> respectively to compute a Composite Bid Score.

b. The bidder securing the highest Composite Bid Score (H1) will be adjudicated as the most responsive Bidder for award of the Project. The overall score will be calculated as follows:-

\[ B_n = 0.50 \times T_n + 0.50 \times F_n \]

Where: \( B_n \) = overall score of bidder, \( T_n \) = Technical score of the bidder (out of maximum of 100 marks), \( F_n \) = Normalized financial score of the bidder

c. The bidder with lowest qualifying financial bid (L1) will be awarded 100% financial score. Financial Scores for bidders other than L1 will be evaluated using the following formula:

Normalized Financial Score of a Bidder:
\[ F_n = \left( \frac{\text{Financial Bid of L1}}{\text{Financial Bid of the Bidder}} \right) \times 100 \]
(Adjusted to two decimal places)

d. In the event of the composite bid scores are in tie, the bidder securing the highest technical score will be adjudicated as the Best Value Bidder for award of the Project.

2.30. **Award Criteria** - Contract will be awarded to the Vendor, whose combined score of Technical and commercial evaluation is highest.

2.31. **Offer Validity Period** - Offers against Tender should remain valid for 180 days from the date of Tender opening.

2.32. **Right To Alter Items** - The Purchaser reserves the right to alter the description and functionalities from the schedule of requirements specified in the tender. The purchaser reserves the right to vary specifications.

2.33. **No Commitment To Accept Lowest Or Any Tender Offer** –

a. NIA shall be under no obligation to accept the best or any other offer, including those received late or incomplete offers, without assigning any reason whatsoever.

b. NIA reserves the right to make any changes in the terms and conditions of the tender.

c. NIA will not be obliged to meet and have discussions with any bidder, and or to listen to any representations.
2.34 Corrupt And Fraudulent Practices - The Purchaser will reject a proposal for award if it determines that Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
