PROPRIETARY ARTICLE CERTIFICATE (PAC)

Ref No: SCE/PAC/2026/NIA/008

Date: 04/07/2026

This is to certify that we are supplying an **Automatic Roti Making Machine** to the **National Institute of Ayurveda, Jaipur, Rajasthan**.

The machine has been developed after many years of research, development, and extensive customer feedback. It is a specially designed heavy-duty machine incorporating several tailor-made components and spare parts that have been exclusively designed, engineered, and manufactured by us for this equipment.

These proprietary spare parts and components are not commercially available in the open market, as they are manufactured exclusively by our company to meet the machine's design specifications and ensure optimum performance, reliability, and customer satisfaction.

In the event that any of these proprietary spare parts or components are replaced with non-genuine or market-available alternatives, our company shall not be responsible for any malfunction, damage to the machine, loss of performance, or any consequential loss, injury, or damage arising from such replacement.

Furthermore, any unauthorized replacement or modification using non-genuine parts will immediately render the warranty null and void, and our company shall not be obligated to provide warranty support or after-sales service for the machine.

This certificate is issued for official purposes and to confirm the proprietary nature of the machine and its components.

Should you require any further information or clarification, please feel free to contact us at +91-7696008080 or +91-7009875022.
